

Non-Skid Mouse Pad With Memory Foam Wrist Support
Accurate Tracking Surface • Soft Durable Material • Anti-Microbial Protection

SLEEK AND INNOVATIVE

- Anti-microbial Memory Foam
- Stable Non-Skid Base
- Orthopedic Certified
- Ergonomic Design
- Large Diameter Working Area
- Anti-Stain Surface

Use your mouse in ergonomic comfort with Accutrack-2 Anti-Skid Mouse Pad with antimicrobial protection. Your mouse glides smoothly across mouse pad as the pad protects your work surface from scratches and scrapes. The large diameter of the pad provides plenty of work space for your mouse, and the foam material restricts the growth of micro-organisms that can stain or degrade the pad, providing you with a clean, sanitary and odour free work area. The built-in foam wrist rest provides not only comfortable support, but the ergonomic design protects your wrist from soreness and injury during long sessions at the computer.
