

Portable Wireless Speaker with Handsfree for Outdoor & Indoor

7W Stereo Sound • Multiple Playback Options • FM Radio • IPX6 Water Resistant

True Wireless Stereo

Turn your daytrip into a disco, make your picnic a party, boogie on the beach, and bring crisp, clear sound wherever you go. Stream music wirelessly and use it as a handsfree, Bomba does everything and at optimum performance. Take it while hiking, camping, fishing and even on a safari for the most encouraging outdoor music experience. An additional handsfree feature for phone conversation makes Bomba beyond its size. All this encompassed in an abrasion resistant and IPX6 certified water-resistant body, making this speaker a must have for your adventures.
