

Y-1091

**USB3.0 to SATA6G Aluminium Docking Station
(With UASP Function)**

Introduction:

Usually, we have to install SSD/HDD to a computer directly to make it works as usual. However, it's cumbersome to carry and easily damage (HDD/SSD) if we plug in and out frequently. UNITEK Y-1091 is here to provide a brilliant solution for this problem. It supports all 2.5" and 3.5" SATA I, II, and III HDD and SSD up to any capacity. It is stylish, lightweight and its compact portable and multi-function design makes it ideal for work or entertainment situation and use as an efficient and versatile solution for external hard disk management.

Features:

- With aluminium enclosure, it's stylish and elegant.
- Compatible with all 2.5" and 3.5" SATA HDD / SSD with any capacity.
- Support SATA III, SATA II and SATA I.
