

2-in-1 Audio & Charging Adaptor with Lightning Connector

Don't let the single Lightning Connector port slow you down. With iHinge-LT Enjoy music or calls when on the move while charging your iPhone. The 12W Pass through charging powers up the iPhone/iPad at maximum speed and the 48KHz audio output ensures high quality audio support. The iHinge-LT does not require any additional software to work.

Features

- Enjoy music or calls when on the move while charging your iPhone.
- 12W pass-through charging powers up the iPhone/iPad at maximum speed.
- Digital-to-Analog converter ensures full audio quality and supports up to 24bit 48kHz lossless output.
- This 90 Degree audio adapter is designed to be unobtrusive when charging and listening to music.
- No drivers or any additional software is required.

Specifications
