

## HORIZONTAL 19" 1RU UNLOADED 24 PORT UTP PATCH PANEL

### DESCRIPTION

Introducing DYNAMIX, a sophisticated 24-port empty patch panel meticulously designed to seamlessly integrate with various modular jacks during installation. This product is engineered to meet the stringent requirements of Gigabit Ethernet applications. It proves to be an ideal solution for facilitating interaction & termination of horizontal cabling between devices, equipment, & centralized points. Moreover, the DYNAMIX patch panel is specifically crafted to effortlessly fit within standard 19" equipment racks & cabinets, ensuring compatibility with industry-standard configurations.

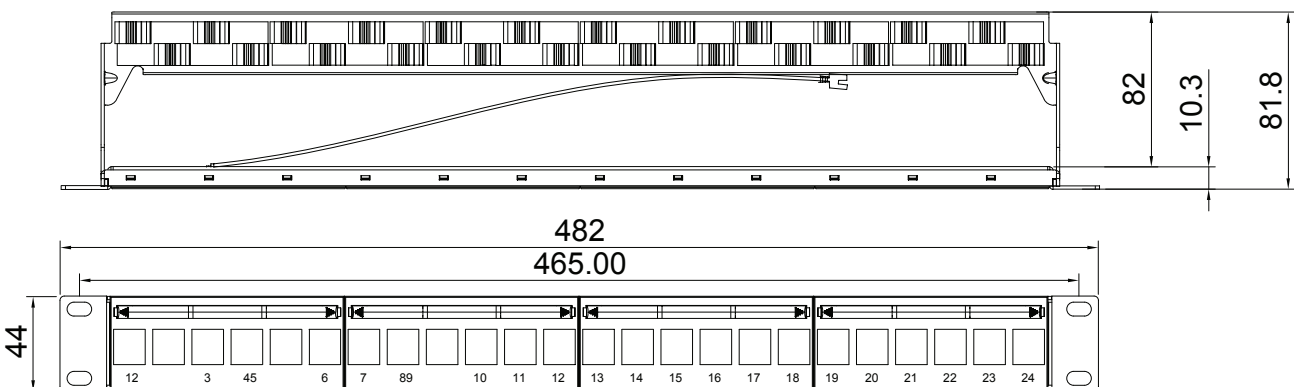

### FEATURES

- 24 Port keystone inserts
- Compatible with 19" network cabinets & wallmount shelves
- Rear cable management bar included
- Grounding wire included
- High quality steel & plastic design
- Snap-in installation
- Numbering 1 to 24
- RoHS approved
- Black powder coated
