

High Capacity Power  
Pack with Power Delivery and  
Quick Charge 3.0

30000mAh

30 Watts  
Total Output

Qualcomm<sup>®</sup>  
Quick Charge<sup>®</sup> 3.0

18W PD  
Fast Charging

High speed charging and portability combined with Titan-30, a 3 port 30000mAh High Capacity Power Pack with Power Delivery and Quick Charge 3.0. The built in USB-C port supports Power Delivery input as well as output that lets you charge the power bank or your devices in no time.

Features

30000mAh battery capacity that keeps your devices up and running for long.

Titan-30 sports a stylish look that is extremely durable.

Charge devices faster with 18W Power Delivery, Quick Charge 3.0 port, and 2.4A USB port.

Take your device from 0-80% in just 35 minutes with 4X fast charging than the standard chargers.

With inputs via USB-C and Micro-USB, just carry one cable for charging your device and power bank.

Titan-30 is compatible with all USB-powered devices.
