16.5 Million FULL SPECTRUM RGB LIGHTING

Alpha-X

Introducing Promate's Alpha-X, a revolutionary 3-in-1 TWS speaker, headset stand, and USB hub into one sleek, futuristic package. With a powerful 5W output, this speaker delivers crisp, clear audio with minimal noise thanks to its high SNR of $\geq 85\text{dB}$ and efficient 3.2Ω impedance. The Alpha-X features one USB-C and dual USB-A ports, providing fast 480Mbps data transfer for all your connectivity needs. Its built-in omnidirectional microphone ensures crystal-clear communication, while the 11 vibrant RGB lighting modes add a touch of personalized flair. Designed for convenience and style, the Alpha-X also includes a fast 7.5W USB-C input and a 1.5m cable, making it the perfect addition to any modern workspace or gaming setup.

4in1 4-In-1 Multifunctionality

Promate's Alpha-X combines a powerful TWS speaker, a convenient headset stand, and a versatile USB hub in a single, sleek device, making it an essential tool for any workspace or gaming setup.

TWS Speaker

Enjoy rich, immersive audio with the Alpha-X's 5W output TWS speaker. Designed to minimize noise, it boasts a high Signal-to-Noise Ratio (SNR) of $\geq 85\text{dB}$, ensuring clear and vibrant sound.

Versatile USB Hub

Featuring one USB-C and dual USB-A ports, it is ideal for connecting and charging multiple devices simultaneously.

Fast 480Mbps Data Transfer

With its advanced USB-C and USB-A hub, the Alpha-X ensures rapid and reliable data transfer speeds of up to 480Mbps, allowing you to move files quickly and efficiently.

Optimal Power Usage

Engineered with a 3.2Ω impedance, the Alpha-X offers efficient power usage without compromising on performance, delivering powerful sound while conserving energy.

Handy Built-In Mic

The built-in omnidirectional microphone captures your voice clearly from any direction, making it perfect for video calls, gaming chats, and voice commands.

Dynamic RGB Lighting

Customize your environment with 11 vibrant RGB lighting modes. These dynamic light settings allow you to create the perfect ambiance to match your mood or aesthetic.

Fast and Reliable Charging

The Alpha-X includes a fast 7.5W USB-C input, ensuring your devices are charged quickly and efficiently using the provided 1.5m cable. This feature is particularly useful for high-demand gadgets that require rapid power replenishment.

Futuristic Ergonomic Design

Designed with a modern, ergonomic aesthetic, the Alpha-X not only looks stunning but also provides practical functionality, seamlessly blending into any contemporary workspace or gaming station.

Data & Charge

USB-C & USB-A OUTPUT

Specifications:

Bluetooth version: V5.4
Bluetooth profiles: A2DP
Bluetooth Frequency: 2402MHz-2480MHz
USB-C Input Rating: 5V/1.5A
Speaker size: 1.57" x 1"
Output Power (R.M.S.): $\leq 5\text{W}$
Frequency Response: 20Hz-20KHz

Impedance: $3.2\Omega \pm 15\%$
SNR: $\geq 85\text{dB}$
Microphone Polar Pickup: Omnidirectional
Microphone Sensitivity: $-42 \pm 3\text{dB}$
Microphone Impedance: $< 2.2\text{k}\Omega$
Microphone Frequency Response: 20Hz-16000Hz
USB-C output rating: $5\text{V} / \leq 1\text{A}$

USB-C Data Transfer Speed: 480Mbps
2 x USB-A output rating: $5\text{V} / \leq 500\text{mA}$
2 x USB-A Data Transfer Speed: 480Mbps
Cable length: 1.5 meters
Operating distance (Bluetooth mode): 10m
RGB Modes: 11 Modes
RF Output Power: $\leq 20\text{dBm}$
