PD100W USB-C Cable Dual 90 Degree (C14147ABK-0.5M/ C14147ABK-1M)

Build-in E-marker chip and PD3.0/QC3.0 Fast charging.

Description: UNITEK USB-C to USB-C cable supports up to 100W of power with a built-in E-marker chip, delivering a maximum current of 5A. It is compatible with PD 3.0 and QC 3.0 for fast charging.

Product Features:

- **100W Fast Charging:** UNITEK USB-C to USB-C Dual 90-Degree cable supports a 100W (20V 5A) power adapter. It can charge laptops like the MacBook Pro 13'' to 39% at full speed in just 30 minutes and it can charge the iPhone 16 to 60% in the same timeframe.

- **Dual 90-Degree Connectors:** The unique design of dual 90-degree connectors allows for easier access and reduced strain on the cable, making it perfect for tight spaces and angled connections.

- **Data Transfer in Seconds:** UNITEK USB-C Dual 90-Degree fast charging cable offers transfer speeds of up to 480 Mbps.

- **Premium Quality:** Constructed with aluminum housing, high-purity copper wire, and triple shielding, this USB-C cable ensures long-lasting fast charging performance.

- **Wide Compatibility:** UNITEK USB-C to USB-C cable is compatible with the iPhone 16 series, MacBook series, iPad series, Samsung Galaxy series, and more.

- **Note:** This cable does not support video output. For optimal charging speed, use a high-quality charger and fast charging cable. Avoid extreme temperatures and heavy background activities while charging.

Package Contents: 1 x 100W USB-C Cable Dual 90-Degree; 1 x User Manual.

Pieces/ Carton: 100 pieces/ carton

Connector Dimensions	25.5mm x 21.0mm x 6.7mm
