USB Plug

Plug it into a vehicle with wired carplay

HDMI Port

Access to devices with available HDMI outputs

USB 2.0 Port

Avoid using this port for HDMI devices. It's intended solely for USB flash drive updates

How to use:

1. Simply plug the Minix CA361 Plus adapter into your car's head unit system using the USB-A or USB-C port (adapter included).

2. Enable WiFi and Bluetooth on your phone, then search for and pair it with your car's head unit system.

3. In just a few seconds, the connection will be established. Enjoy the effortless, wireless experience.
