Universal DisplayLink Triple 4K Docking Station (D1135A)

15-in-1 Supports MST for Mac M1, PD100W and Dual Card Reader.

Description:

Elevate your productivity with the Unitek USB-C DisplayLink Triple 4K Docking Station. Designed to create a seamless connected workstation, this powerful docking station allows you to expand your display setup with up to 3 additional 4K monitors*, breaking through the limitations of MacBook models with the M1 chipset, which can only support Single Stream Transport (SST) mode.

Product Features:

- **MST Mode, even for Mac M1:** Break free from the limitations of the Mac M1 chipset with Multi-Stream Transport (MST) mode, enabling seamless connectivity to multiple displays.

- **Triple 4K Output with MST:** Connect and manage up to 3 4K monitors simultaneously* (2 HDMI and DP 1.2, up to 4K@60Hz), enhancing your multitasking capabilities and providing stunning visuals for all your projects.

- **Fast Charging & Ultrafast Data Transfer:** 3 USB 10Gbps Ports (1 USB-C and 2 USB-A), 2 USB 5Gbps Ports (1 USB-C and 1 USB-A) and 2 USB-A 480Mbps ports, supports BC1.2 charging protocol, which makes it convenient for charging other devices.

- **Powerful 100W Power Delivery:** Ensure your devices stay charged with robust 100W power delivery, providing ample power for your laptop and peripherals.

- **All the Ports You Need:** Built in SD and Micro SD 2.0 card slots (single card reading). The two-in-one headphone and microphone port (3.5mm audio jack) saves desktop space and provides High-Quality Audio sound experience.

- **High-Speed & Stable Ethernet:** USB-C DisplayLink Triple 4K Docking Station features an RJ-45 Gigabit Ethernet port that adapts to 10Mbps/ 100Mbps/ 1000Mbps.

*USB-A Host devices support Dual Monitor output
^Please download the Displaylink driver before use; simply select your system and set the resolution and it is ready to use.

Dimensions	121.8mm x 137.9mm x 49.3mm
Laptop Host Compatibility	USB 4, Thunderbolt 3/4, USB-C, USB-A
Upstream	USB-C 10Gbps (With USB-A Adapter)
Downstream	USB-A: 10Gbps x 2, 5Gbps x 1, 480Mbps x 2, USB-C: 10Gbps x 1, 5Gbps x 1
Ports	HDMI (4K@60Hz) x 2, Display Port (4K@60Hz) x 1, SD Card reader x 1 , MicroSD Card reader x 1, 3.5mm Mic./ Audio Jack x 1, RJ45 Gigabit Ethernet (10M/100M/1000M) x 1
Power Port	PD 100W
Operating System	Windows 10/ 11 (32/ 64bit)/ Mac OS 10.6 or above/ Linux kernel 3.x
Cable Length	100cm
Material/ Colour	Aluminum Alloy/ Space Grey

Package Contents:

1 x USB-C DisplayLink Triple 4K Docking Station; 1 x USB-C to USB-C Cable (100cm);
1 x USB-C 10Gbps to USB-A Adapter; 1 x User Manual.

Pieces/ Carton: 10 pieces/ carton
