# Magnetic M.2 2230 NVMe SSD Enclosure (S1244AGY)

## USB-C 10Gbps. Supports Android, iPhone 16/15 Pro and Pro Max ProRes

Dimensions	59.0mm x 59.0mm x 11.5mm
Upstream	USB-C
Downstream	NVMe/PCIe M.2 2230 SSD (M Key & B+M Key)
Transfer Speed	10Gbps
Power	PD 100W
Cable Length	20cm
Material/ Colour	Aluminium Alloy / Space Grey

### Description:

The UNITEK Magnetic M.2 2230 NVMe SSD Enclosure is designed for seamless use with iPhone 16/ 15 Pro and Android devices, featuring MagSafe technology for ProRes filming. Enjoy lightning-fast 10Gbps data transfer via USB-C, and experience hassle-free plug-and-play functionality. Perfect for creatives on the go!

### Product Features:

- **Magnetic Aluminum Enclosure:** UNITEK M.2 2230 NVMe SSD Enclosure perfectly fits with Magsafe and comes with a magnetic ring for USB-C/ Android devices, preventing it from falling off from your smartphones/ tablets. It provides strong magnetic suction with a built-in magnet structure.
  - **Direct Storage of ProRes Video:** Allows the iPhone 16/15 Pro and Pro Max to record 4K@60Hz videos in ProRes directly to an external M.2 NVMe 2230 SSD.
  - **10Gbps Transmission Speed:** UNITEK Magnetic M.2 2230 NVMe SSD Enclosure, equipped with a USB-C output interface, supports transfer speeds of up to 10Gbps.
  - **Enhanced Stability:** features a high-performance controller IC chipset that complies with UASP and TRIM, enhancing speed and extending the lifespan of the SSD.
  - **100W PD Pass-through:** This magnetic enclosure includes an additional USB-C port for charging your iPhone 16/15 Pro/ Pro Max and Android devices with a power bank or adapter, supporting up to 100W.
  - **User-Friendly Installation without Tools:** This external SSD enclosure allows for quick and easy installation of NVMe/PCIe SSDs, without the need for tools or drivers.
- Note:** It supports up to 2TB capacity expansion and is compatible with M-Key/M+B Key 2230 specification NVMe/PCIe SSDs (not SATA protocol). The SSD must be formatted with exFAT. Password-encrypted drives are not supported.

### Package Contents:

1 x Magnetic M.2 2230 NVMe SSD Enclosure ; 1 x USB-C to USB-C 10G Cable; 1 x Magnetic Ring;

1 x User Manual.

30 pieces/ carton
