8K HDMI 90 and 270 Degree Right Angle Adapter (A1046ABK)

Supports 8K@60Hz/4K@120Hz HDR Images.

Description:

The UNITEK 8K HDMI 90 Degree Adapter offers an ideal solution for connecting HDMI cables in limited or hard-to-reach spaces, such as behind equipment racks. It prevents excessive cable bending and avoids risks of cable damage.

Product Features:

- **HDMI 2.1 Features:** This UNITEK 8K HDMI 90 Degree Adapter provides true support for HDMI 2.1 features, including Dynamic HDR, AMD FreeSync, NVIDIA G-SYNC, eARC, Dolby Vision, HD Dolby 7.1, Dolby Atmos, BT.2020, ALLM, VRR, HFR, QMS, QFT, DSC 1.2. It is also compatible with HDCP 2.3, allowing users to watch content-protected videos freely.
- **8K Resolution:** UNITEK 8K HDMI 90 Degree Adapter supports various resolutions including 8K@60Hz*, 4K@120Hz, 4K@60Hz, and 1080P@60Hz delivering a high-resolution visual experience.
- **Space-Saving Design:** The UNITEK 90-degree or 270-degree L-shaped HDMI adapter is an ideal solution for adjusting the interface direction as needed, helping to save space and prevent cable damage from excessive bending.
- **Durable and Reliable Construction:** The interface of UNITEK 8K HDMI 90 Degree Adapter is gold-plated on an iron surface, providing a transmission speed of 48Gbps. Internally soldered PCB board ensures stable signal transmission and enhances the visual experience.
- **Wide Compatibility:** The HDMI adapter is compatible with a wide range of devices including gaming consoles, TV Boxes, laptops, PCs, Blu-ray players, projectors, and more.
- **Easy to Use:** Plug and play, with no drivers required.

* To ensure that 8K@60Hz/4K@120Hz resolution can be achieved, only wire gauge 8K HDMI Cable of 30AWG and above should be connected, and the length should not be longer than 3M.

Package Contents:

1 x 8K HDMI 90 Degree Adapter, 1 x 8K HDMI 270 Degree Adapter

Pieces/Carton:

100 pieces/carton

Dimensions	22.0mm x 28.94mm x19.55mm
