AirClip

Experience audio like never before with AirClip, the revolutionary clip-on OWS (Open Wearable Stereo) True Wireless Earbuds that combine amazing audio, superior comfort and enhanced environmental awareness. The lightweight, open-ear design with AudioFit™ technology maximizes comfort and reduces ear duress, without compromising on audio quality, while IntelliTouch Control provides effortless music and call handling. Make Crystal Clear Calls and enjoy Superior Sound Quality with True Wireless Stereo and up to 28 hours of music playtime. Its IPX4 water-resistance and extended battery life mean you can take your music anywhere, no matter the conditions. Discover the freedom of OWS True Wireless Earbuds with AirClip.

OWS Open Ear Clip-On Design

Experience audio freedom with OWS True Wireless Earbuds and their cutting-edge Clip-On Design. Enjoy superior sound quality while staying aware of your surroundings for comfort and safety.

IntelliTouch Control

Manage audio playback and other functions with just one touch as AirClip offers IntelliTouch controls.

Calls Made Stereo

These TWS earphones have a built-in high-quality mic in both earbuds that provides stable and clear conversations while on calls.

Superior Sound Quality

Immerse yourself in rich, high-fidelity audio with AirClip's superior sound performance, elevating your listening experience.

AudioFit™ Stable Design

Ergonomically designed to fit comfortably and stay steady on your ears, AirClip can be used for as long as you want during vigorous workouts and activities.

Low Latency Game Mode

Reduce sound delay for gaming and video playback, ensuring seamless audio-visual synchronization, even in challenging Bluetooth environments.

Unparalleled Comfort

Designed to prevent ear duress and fatigue, AirClip's ergonomic design ensures comfort even during extended listening sessions.

Water Resistant

The sweat and water-resistant design featuring IPX4 make AirClip a perfect companion for your active adventures.

Stunning Battery Life

Get up to 6 hours of music playback time per charge and up to 28 hours with the 500mAh charging case, perfect for long trips and continuous use.

Packaging Contents:

- AirClip
- User guide
- USB-C Charging Cable

Certifications:

Specifications

Bluetooth Version:
5.4

Bluetooth Profiles:
A2DP/AVCTP/AVDTP/AVRCP/GAVDP
HFP/HID/SPP/IOP/L2CAP

Earphone Input:
5V, 40mA

Battery type:
Li-Polymer

Charging Case Input:
5V/400mA

SNR:
DAC≥102dB, ADC≥95dB

Reduction Noise Frequency:
35dB

Impedance:
16Ω

Bluetooth Frequency Range:
2.402GHz~2.480GHz

Charging Time:
2-3Hrs

Playing Time:
6 hours

Standby Time:
100Hrs

Operating Distance:
<10m

Speaker Frequency:
50~5kHz

RF Output Power:
<=20dBm

Earbuds Battery Capacity:
50mAh * 2

Charging Case Battery Capacity:
500mAh

Driver Diameter:
Φ12mm

Mic Sensitivity
-38dB±1.5

Charging Cable Length:
20cm
