Blade-10

Power up your day with Promate's Blade-10, a sleek and portable, 10,000mAh capacity, it ensures your devices stay charged, all while being MagSafe compatible for seamless 15W wireless charging. The ultra-slim design fits effortlessly into your pocket or bag, making it the perfect portable companion. The USB-C port, featuring 20W Power Delivery, guarantees fast and efficient charging for all your gadgets. Equipped with a smart battery indicator that shows two power rings on your phone's screen—displaying power levels for both your phone and the power bank—Blade-10 offers both safety and convenience. Crafted from durable aluminum and PVC, Blade-10 is your go-to for uninterrupted power, anytime, anywhere. Stay connected and powered with Blade-10.

Super Slim Design

Pocket-sized Power Bank

Universal Compatibility

Powerful Backup Battery

Blade-10 MagSafe Compatible Power Bank boasts a powerful 10000mAh Lithium-ion backup battery for keeping your devices powered up anytime, anywhere.

15W MagSafe Compatible Charging

Blade-10 magnetic wireless charger aligns with your smartphone and charges your wireless charging compatible devices at lightning speeds.

USB-C In/Out with 20W PD

Enjoy lightning-fast charging and power delivery with the Blade-10's USB-C port, providing both input and output capabilities at an impressive 20W for maximum efficiency.

Smart Battery Indicator

The connected device will show power percentage rings for both the smartphone and power bank, keeping you informed at a glance.

Multi Protect System

Rest easy knowing your devices are safe from potential harm with the Blade-5's advanced protection features, including over-charging, over-heating protection, and optimal temperature control.

Durable Construction

Crafted from premium Aluminium and ABS materials, the Blade-10 is built to withstand the rigors of daily use, offering durability and longevity that you can rely on.

Portable Mini Design

As the world's smallest power bank, the Blade-10 combines compactness with power, offering unparalleled portability without compromising on performance.

Packaging Contents:

- Blade-10
- USB-C Charging Cable
- User Guide

Certifications:

Specifications

Battery Capacity:	10000mAh/3.85V/38.5Wh
Battery Type:	Li-Polymer
USB-C Input:	5V/3A, 9V/2A, 12V/1.5A(18W)
USB-C Output:	5V/3A, 9V/2.22A, 12V/1.67A(20W PD)
Wireless Charger Output:	5W/7.5W/10W/15W

Wireless Charging Frequency:	110kHz~205kHz
Wireless Charging Efficiency:	75%
Wireless Charging Distance:	5mm
Charging cable length:	30cm
RF Output Power:	<=20dBm
