

# CC11-10 Series Clamp-On Under-Desk Cable Management Trays

**LUMI**  
ergo

▲ CC11-10-2

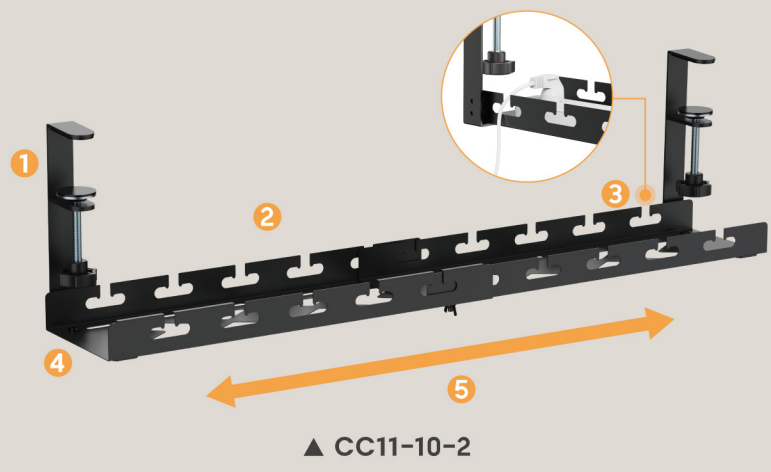

-  No Drilling
-  No Glue
-  Extendable
-  Ventilation

## Four Different Styles for Different Storage Needs

For simpler setups with fewer cables

For larger setups with multiple devices and cables

▲ CC11-10-2

- 1 Clamp-On Design**  
easy to install, no holes and no damage to desks
- 2 Open Design**  
for easy cable routing and storage
- 3 Multiple Cable Slots**  
keep messy cables in place for better management
- 4 Ventilated Cutouts**  
help the devices to dissipate heat for stable performance
- 5 Extendable Tray**  
fits different desk sizes and storage needs (for CC11-10-2/2D)

  
**Included Cable Management Straps**  
easily organize and secure cables for a clutter-free workspace
