ComandHub-Lite

ComandHub-Lite sets a new standard in connectivity solutions. This 9-in-1 USB-C hub features an innovative HDMI Privacy Button for instant screen-off capability, dual 5Gbps USB-C and USB-A ports for high-speed data transfers, and a 100W USB-C Power Delivery Port for efficient device charging. Enjoy 4K@60Hz HDMI output and expand your storage with SD/TF card slots supporting up to 2TB. Its compact, plug-and-play design ensures seamless integration into any setup, while the durable construction ensures reliability. ComandHub-Lite offers the perfect blend of versatility and performance for the modern workspace.

### 9-in-1 High Speed USB-C Hub

Effortlessly connect multiple devices using Promate's ComandHub-Lite, with eight versatile ports. Streamline your workspace with high-speed data transfer and connectivity.

### HDMI Privacy Button

Ensure privacy with a single touch. Instantly turn off your screen with the innovative HDMI Privacy Button.

### Dual 5Gbps USB-C Ports

Experience rapid data transfers with two high-speed USB-C ports. Ideal for fast file transfers and efficient connectivity.

### Dual 5Gbps USB-A Ports

Connect a variety of USB-A devices with ease. Enjoy high-speed data transfers with dual 5Gbps ports.

### 100W Power Delivery

Includes a "Charging Bridge" that lets you power up your connected laptop even when using multiple peripherals.

### 4K@60Hz HDMI Port

Enjoy stunning visuals with the 4K@60Hz HDMI port. Perfect for presentations, streaming, and gaming with ultra-clear resolution.

### 2TB SD/TF Card Slot

Expand your storage capabilities with SD and TF card slots supporting up to 2TB and 480Mbps data Transfer speed, ensuring ample data storage and super-fast file transfer.

### Compact Portable Design

Take your hub on the go with its compact, lightweight design. Perfect for travel and easy to carry in your bag.

### Plug & Play

No drivers or software needed, just plug, play and enjoy instant connectivity without any complicated setup.

### Durable Construction

Built to last with a combination of aluminum and plastic. Enjoy a robust and reliable hub that withstands everyday use.

#### Specifications:

Input Rating :	20V/5A	2 x USB-A:	5V/1A	SD/TF Card Data	
USB-C PD Input:	100W PD	2 x USB-A:	5V/1A	Transfer Speed:	480Mbps
2 x USB-C:	5V/1A	USB-A Data		SD/TF Card	
2 x USB-C Data		Transfer Speeds:	5Gbps	Max Capacity:	2TB
Transfer Speed:	5Gbps	HDMI Output:	4k@60Hz	Cable Length:	50cm Braided
