ComandHub-Pro

Unleash the power of connectivity with ComandHub-Pro, your all-in-one solution for seamless integration and enhanced productivity. Redefining versatility, this 14-in-1 Multiport High-Speed USB-C Hub sets a new standard in connectivity innovation. Its revolutionary Multimedia Function Button introduces a new era of convenience, enabling effortless navigation through multimedia content with precision. Boasting a PD100W USB-C Input and an ultra-fast 5Gbps USB-C Port, ComandHub-Pro ensures rapid data transfer and powerful charging capabilities. With dual 5Gbps USB-A Ports, a 1000Mbps Ethernet Port, and a 4K@60Hz HDMI Port, experience unparalleled connectivity like never before. Designed for portability and durability, its compact form factor and plug-and-play functionality make it the perfect companion for professionals on the move. Upgrade to ComandHub-Pro and elevate your connectivity experience today!

Multiport High-Speed USB-C Hub

Effortlessly connect multiple devices using Promate's ComandHub-Pro, with eight versatile ports. Streamline your workspace with high-speed data transfer and connectivity.

Multifunctional Multimedia Button

Experience unprecedented control with a single button for previous, next, pause, mute, and HDMI switching, this first-of-a-kind feature will revolutionize your multimedia navigation.

Ultra-Fast 5Gbps USB-C Port

Transfer data at blazing speeds with the ultra-fast 5Gbps USB-C port, perfect for demanding tasks and large file transfers

Dual 5Gbps USB-A Ports

Connect various USB-A devices with ease. Enjoy high-speed data transfers with dual 5Gbps ports

100W Power Delivery

Includes a "Charging Bridge" that lets you power up your connected laptop even when using multiple peripherals.

4K@60Hz HDMI Port

Enjoy stunning visuals with ComandHub-Pro's 4K@60Hz HDMI port. Perfect for presentations, streaming, and gaming with ultra-clear resolution.

High-Power PD100W USB-C Input

Charge your devices at lightning speed with a PD100W USB-C input, ensuring rapid and efficient power delivery.

2TB SD/TF Card Slot

Expand your storage capabilities with SD and TF card slots supporting up to 2TB and 480Mbps data Transfer speed, ensuring ample data storage.

Compact and Portable Design

Take your hub on the go with its compact, lightweight design. Perfect for travel and easy to carry in your bag.

Plug & Play

No drivers or software needed, just plug, play and enjoy instant connectivity without any complicated setup.

Durable Construction

Built to last with a combination of aluminum and ABS plastic. Enjoy a robust and reliable hub that withstands everyday use.

Specifications:

Input Rating :	20V/5A	2 x USB-A:	5V/1A	SD/TF Card Data	
USB-C PD Input:	100W PD	USB-A Data		Transfer Speed:	480Mbps
USB-C Output:	5V/1A	Transfer Speeds:	5Gbps	SD/TF Card	
USB-C Data		HDMI Output:	4k@60Hz	Max Capacity:	2TB
Transfer Speed:	5Gbps	Ethernet Port:	1000Mbps	Cable Length:	50cm Braided
