USB-C 10Gbps HDMI Split-Screen KVM Switch (D1118AGY)

Data Intercopy. Shares 1 HDMI 4K@30Hz and 5 USB-A Ports for Enhanced Connectivity.

Dimensions	150.6mm x 75mm x 22.5mm
Upstream	2 x HDMI, 2 x USB-C 10 Gbps
Downstream	1 x HDMI; 3 x USB-A 10 Gbps; 2 x USB-A 480Mbps
Output Resolution	4K@30Hz
KVM Control	UFP Switch Button
Operating System	Windows 8/ 8.1/ 10/ 11, macOS 10.13 or later versions
Power Adapter	5V2A with USB-C connector (cable length 1.5M)
Material/ Colour	Aluminium Alloy/ Space Grey

Description:

Experience enhanced performance and convenience with the UNITEK USB-C 10Gbps HDMI KVM Switch. It offers seamless control and connectivity for two host devices. Effortlessly intercopy data* between them while enjoying split-screen or switch-screen functionality with stunning resolution at 4K@30Hz. This versatile switch features 3 downstream USB-A 10Gbps ports and 2 additional USB-A ports at 480Mbps, ensuring efficient multitasking and productivity.

Product Features:

- Supports HDMI Split-Screen/ Switch:** Utilizing advanced HDMI video screen-splitting technology, the UNITEK USB-C 10Gbps HDMI KVM Switch can switch between two host screens or split the screen to output two HDMI signal sources simultaneously. It supports resolutions up to 4K@30Hz and HDCP 1.4 for vibrant image quality.
- Intercopy Data Between 2 Host Devices:** With dual-host data Intercopying* and KVM functionality**, you can connect downstream USB devices across both hosts, such as keyboards, mice, and USB hard disks. This feature allows direct file drag-and-drop between hosts, simplifying data transfer and enhancing information sharing.
- Sharing 5 USB-A Ports:** UNITEK USB-C 10Gbps HDMI KVM Switch features 5 USB-A ports (10Gbps x 3 and 480Mbps x 2) for sharing USB flash drives, printers, mobile hard drives, and other devices. Enjoy faster file transfers and enhanced convenience for both work and personal use.
- Compatibility:** Works with Windows 8/ 8.1/ 10/ 11 and macOS 10.13 or later versions^.

* To utilize the data intercopy feature, please install the driver from the UNITEK website.

** Please use the "UFP Switch" button to toggle between devices.

^ Both PC1 and PC2 port must connect to USB 5Gbps or higher for optimal performance.

Package Contents:

1 x USB-C 10Gbps HDMI Split-Screen KVM Switch; 2 x 10Gbps USB-A to C Cable (1M); 1 x 5V2A Power Adapter; 1 x User Manual.

Pieces/ Carton:

20 pieces/ carton
