ULTRA-FAST DUAL PORT CAR CHARGER 33W Power Delivery & QC 3.0

Equipped with a 33W USB-C Power Delivery Port and an 18W QC 3.0 USB-A Port, DriveGear-PD33 can rapidly charge two devices simultaneously, on the move. The USB-C Power Delivery port is universal and can be used to charge any USB-C-powered smartphone, tablet, or other device. Its ultra-compact design conveniently fits in your car's DC port with a modern finish to complement your car's interior. The integrated protection chipset prevents short circuits and over-charging. Convenience and super speed charging complied into one, DriveGear-PD33 adapts to your devices and provides the safest maximum charging while you take on the road.

DriveGear-PD33

33W POWER DELIVERY

Charge your power-hungry USB-C devices like smartphones, tablets, etc. on the go, up to 4X faster with Power Delivery support.
