

88W Car Charger
Multi-Port | **Dual Retractable**
USB-C & Lightning Cables

DriveGear-R2

80cm BUILT-IN Retractable Cables

Promate's DriveGear-R2 car charger stands out with its two innovative retractable cables, transforming your car into a versatile power station for your digital devices. Effortlessly charge up to four devices at once with its innovative 4-in-1 multi-port design. This sleek charger delivers an impressive 88W power output and includes built-in retractable PD30W USB-C and PD20W Lightning cables, along with versatile 20W USB-C and 18W USB-A ports. Its 180° rotatable body offers unmatched flexibility, and the LED voltage indicator ensures you're always in the know. Crafted for ultimate safety and performance, DriveGear-R2 features heat resistance, surge protection, and short circuit protection, making it the ultimate companion for fast and reliable charging on the move.

4-in-1 Multi-Port Charging

Charge up to four devices simultaneously with this versatile multi-port design, ensuring all your gadgets stay powered up on the go

Powerful 88W Output

Enjoy an impressive 88W power delivery that charges your devices quickly and efficiently, saving you valuable time.

Built-In Retractable PD30W USB-C Cable

The built-in PD30W USB-C cable retracts for easy storage, providing a seamless charging experience without the clutter.

Built-In Retractable PD20W Lightning Cable

Conveniently retractable, the PD20W Lightning cable is perfect for fast and efficient charging without the hassle of extra wires.

Versatile 20W USB-C Port

A dedicated 20W USB-C port offers additional charging options, ensuring compatibility with a wide range of devices.

High-Speed 18W USB-A Port

Charge your devices at lightning speed with the 18W USB-A port, ideal for smartphones and other USB-A compatible gadgets.

180° Rotatable Body

The charger's 180° rotatable body provides flexible positioning, making it easy to access and use in any vehicle.

Multi-Protection System

With heat resistance, surge protection, and short circuit protection, the DriveGear-R2 ensures safe and reliable charging for all your devices.

Made of Durable Materials

Crafted from durable ABS, PC, and metal materials, the DriveGear-R2 ensures long-lasting performance and a sleek, stylish look.

Universal Compatibility

Rapid charging for just about any smartphone, tablet, or other USB-C and USB-A compatible devices.

88W
TOTAL OUTPUT

Specifications:
