Description:

Unlock your devices with the UNITEK uHUB S7, a 7-in-1 hub with speeds up to 5Gbps. This compact hub converts one USB-C port into seven USB-A ports, and the included USB-A adapter ensures compatibility with both USB-A and USB-C hosts. Ideal for professionals and students, the UNITEK uHUB S7 boosts productivity on the go.

Product Features:

- **High Speed Transfer:** Experience exceptional data transfer with the UNITEK uHUB S7. It features one USB-A port with speeds up to 5Gbps and six additional USB-A ports at 480Mbps. Enjoy lightning-fast syncing that allows you to transfer large files, HD movies, and music in seconds, streamlining your workflow like never before.

- **Universal Compatibility:** The UNITEK uHUB S7 is compatible with most USB-C devices, including MacBook Air, MacBook Pro, and iPad Pro. With a USB-A adapter, it works with a variety of host devices and supports multiple operating systems, including Windows and MacOS, for seamless connectivity.

- **Slim Design:** Its slim profile and lightweight build make the UNITEK uHUB S7 the perfect travel companion. Easily slip it into your bag for work, travel, or home use without taking up valuable space.

- **Plug & Play:** Simply plug the USB extender into your computer—no driver installation needed! Enjoy quick, stable data transfer.

Note:

The UNITEK uHUB S7 7-in-1 5Gbps Hub with 7 USB-A ports is for data synchronization only and not for charging. Avoid using it to charge smartphones or other devices.

Package Contents: 1 x uHUB S7 7-in-1 5Gbps Hub; 1 x User Manual.

Pieces/ Carton: 80 pieces/ carton
