

LED PORTABLE LOCKABLE KEY STORAGE BOX

DESCRIPTION

The DYNAMIX LED Portable Storage Key Box offers a secure & convenient solution for storing keys, whether for your home or car. Featuring a wall-mountable or shackle design & strong aluminium housing, this key box ensures durability & protection. Its 4-digit resettable LED dials provide enhanced visibility, even in low-light conditions, making access quick & easy. Designed for reliability & practicality, it is an ideal choice for those seeking a robust & user-friendly key storage solution.

FEATURES

- 4-digit resettable LED dials for better visibility
- 20% larger on inner space
- Style the panel & dust cover in your way
- The cushioning Bumper protects the lock box from scratches & scrapes
- Set your own combination for key-less convenience & increased security
- Hold up keys/card-key for house or car in a convenient location for regular use
- Battery: CR2032 x 1 (excluded)
