

Smart Sporty TWS Earbuds with IntelliTap

Liberty

Black

Blue

Engineered for true wireless music and calls in the sportiest environment. The true wireless earbuds feature precise sound quality with ergonomic ear hook design that supports your intense workouts. Liberty boasts intuitive touch sensors that allow you to control your music and calls flawlessly. Liberty's in-built proximity sensors start playing music as soon as you put earbuds in your ears and stops when you take them out. The superior quality built-in microphone provides for more transparent conversations. Liberty never lets you down as it delivers 5 hours of playtime with an additional 30 hours from the wireless charging case. The earbuds provide stable connectivity as they are equipped with the latest Bluetooth v5.0.
