

Ultra-Slim Transparent FOLDABLE 15W MagSafe Compatible Wireless Charging Station

Perfect for

All MagSafe iPhones
iWatch & AirPods

LucidFold-Trio

360° Rotatable Design

Introducing LucidFold-Trio, the ultimate 3-in-1 charging station designed to streamline your charging experience. Compatible with MagSafe technology, this innovative device features a 15W wireless foldable stand phone charger, a 5W wireless charger for AirPods, and a 3W wireless and foldable charger for Apple Watch, all in one sleek and transparent ultra-slim design. The 1.2m cable provides flexibility in positioning, ensuring convenience and ease of use. Say goodbye to cluttered charging setups and embrace the future of charging with LucidFold-Trio.

3-in-1 Charging Station

With our 3-in-1 charging solution, you can now power up your phone, AirPods, and Apple Watch simultaneously, streamlining your charging routine and saving valuable time.

MagSafe Compatible

Enjoy effortless compatibility with MagSafe technology, ensuring a secure connection and efficient charging every time you place your device on the charger.

15W Wireless and Foldable Phone Charger

Say goodbye to slow charging speeds. Our 15W wireless foldable stand phone charger ensures rapid power delivery, keeping your device juiced up and ready to go when you need it most.

5W AirPods Wireless Charger

Our 5W wireless AirPods charger eliminates the mess of tangled cords and wires, allowing you to simply place your AirPods on the pad and let them charge wirelessly.

3W Foldable Apple Watch Charger

Keep your Apple Watch powered up with our 3W wireless and foldable charger, perfect for on-the-go charging wherever you are.

Foldable Transparent Design

Featuring an ultra-slim Foldable and transparent Slate design, the LucidFold-Trio adds a touch of sophistication to any space, while its compact form factor ensures it fits seamlessly into your home or office setup.

Premium Construction

LucidFold-Trio boasts a robust build with zinc alloy, tempered glass, and PU materials, ensuring durability and sophistication.

1.2m Cable

With a generous 1.2m cable included, you have the freedom to place your charging station wherever is most convenient for you, without being tethered to the wall.
