LucidLine-CC120

LucidLine-CC120 stands out as the go-to cable for seamless compatibility with all USB-C devices. Elevate your charging experience with its uniquely stylish design while enjoying lightning-fast 100W charging speeds, surpassing standard cables. Crafted with a durable nylon braided exterior, this cable resists external damage, and its reinforced transparent connectors with LED lights enhance both durability and charging visibility. Compatible with a diverse range of devices, LucidLine-CC120 ensures speedy data transfers at 480Mbps. Embrace the future of ultra-fast charging with LucidLine-CC120.

100W Power Delivery:
Charge your laptop or smartphone at 100W speed which is so much faster than standard charging cables

Unique Design:
LucidLine-CC120 has transparent connectors with LED lights. This adds a touch of style and uniqueness to give you a one-of-a-kind charging experience.

1.2m Cable Length:
Ideal 1.2-meter length that is long enough to use at your desk and short enough to charge on the go.

Data Sync and Charge:
Transfer photos, music, and movies between USB-C devices at speeds of up to 480Mbps.

Durable Cable:
Reinforced connectors combined with high tensile strength nylon braided cable make the LucidLine-CC120 a super durable cable that is also uniquely stylish.
