2 YEARS WARRANTY Premium Quality

100W Power Delivery | High Tensile Transparent USB-C Cable with LED Light

- **25000+** Long Bend Lifespan
- **100W** POWER DELIVERY
- **200** CENTIMETER LENGTH
- **24K** Gold-plated Connectors
- **UNIVERSAL COMPATIBILITY**

LucidLine-CC200

LucidLine-CC200 stands out as the go-to cable for seamless compatibility with all USB-C devices. Elevate your charging experience with its uniquely stylish design while enjoying lightning-fast 100W charging speeds, surpassing standard cables. Crafted with a durable nylon braided exterior, this cable resists external damage, and its reinforced transparent connectors with LED lights enhance both durability and charging visibility. Compatible with a diverse range of devices, LucidLine-CC200 ensures speedy data transfers at 480Mbps. Embrace the future of ultra-fast charging with Lucid-Line-CC200.

100W Power Delivery:
Charge your laptop or smartphone at 100W speed which is so much faster than standard charging cables

Unique Design:
LucidLine-CC200 has transparent connectors with LED lights. This adds a touch of style and uniqueness to give you a one-of-a-kind charging experience.

2m Cable Length:
Ideal 2 meters length that is long enough to use at your desk and short enough to charge on the go.

Data Sync and Charge:
Transfer photos, music, and movies between USB-C devices at speeds of up to 480Mbps.

Durable Cable:
Reinforced connectors combined with high tensile strength nylon braided cable make the LucidLine-CC200 a super durable cable that is also uniquely stylish.

Packaging Content: LucidLine-CC200

Certifications:
RoHS ♻ ⓛ CE ☒ EAC FC

Specfications

Cable Length	Data Transfer Rate	Total Current Rating	Input Interface	Output Interface
2m	480 Mbps	20V, 5A	USB-C	USB-C
