MagMount-Pro

MagMount-Pro elevates your driving experience with its striking design and powerful N52 magnets. The 360° cradleless design coupled with a gooseneck adjustable arm provides multiple viewing angles. MagMount-Pro can be mounted directly on your windshield or dashboard without the fear of falling off even in rough driving conditions. The quick and secure installation makes using this mount a breeze. This magnetic car mount with an elegant design, and superb convenience, makes it the perfect accessory for your modern ride.

Quick Magnetic Alignment

No more awkward fumbling; the perfectly aligned N52 magnets on MagMount-Pro snap onto your devices quickly and seamlessly, keeping them secure through bumps and turns

Stylish Design

MagMount-Pro has a sleek and slim design that perfectly complements your smartphone device and adds a touch of style to your car's interior

Multiple Mounting Options

MagMount-Pro can be easily mounted directly on your windshield or dashboard with no fear of it dismounting

360° Cradleless Design

The cradleless design allows you to set your music in portrait mode or use the navigation in landscape mode with ease

Gooseneck Arm

The gooseneck arm of this car mount allows you to adjust your device to a position that suits your viewing convenience
