

## Ultra-Compact 30W PD | USB-C / Lightning Ports Power Bank & Bidirectional Cable

Perfect for  
**iPhone 15 Series**  
All Lightning & USB-C Chargeable Devices

**30W**  
POWER DELIVERY

**10000** mAh

**50% Smaller**  
ULTRA COMPACT

Neo-10Uni

Introducing Neo-10Uni, the ultimate portable power solution. With a 10000mAh lithium-ion battery in a sleek design, it charges up to 3 devices simultaneously through its 3 outputs. Recharge easily via 2 USB-C inputs or a Lightning input with 22.5W power delivery. Enjoy 30W fast charging with the included double-ended cable, stowable in the power bank. Crafted from fireproof PC + ABS materials, Neo-10Uni ensures durability and safety with its multi-protect system against over-voltage, short-circuit, over-current, and overheating. Stay connected and powered up on the go with Neo-10Uni.

### Convenient Charging

Neo-10Uni's 10000mAh battery keeps your devices powered anytime, anywhere, ensuring uninterrupted power.

### Efficient Triple-Device Charging

Charge up to three devices simultaneously with USB-C (30W) and Lightning (27W) outputs, ensuring optimal power distribution.

### Double-Ended Reversible Cable

Connect devices easily with the dual-ended cable featuring Type-C and Lightning connectors.

### Multiple Input Options

Enjoy versatile compatibility with USB-C ports and Lightning cables for diverse charging needs.

### Flexible Recharging Options

Recharge via USB-C port or the included double-ended cable for convenience.

### Durable and Safe

Crafted from fireproof PC + ABS materials, Neo-10Uni ensures resilience with comprehensive safety features against over-voltage, short-circuit, over-current, and overheating.

## Specifications

|   |   |
|---|---|
| <b>Battery Capacity:</b>                | 10000mAh, 3.7V / 37Wh                           |
| <b>Battery Type:</b>                    | Lithium-Ion Battery                             |
| <b>USB-C Port Input:</b>                | 5V/3.0A, 9V/2.5A, 12V/1.8A, 15V/1.5A (PD 22.5W) |
| <b>USB-C Port Output:</b>               | 5V/3.0A, 9V/3.0A, 12V/2.5A, 15V/2.0A (PD 30W)   |
| <b>PPS (Programmable Power Supply):</b> | 3.3V-10.0V/3.0A (QC2.0/3.0, AFC & FCP)          |
| <b>USB-C Cable Input:</b>               | 5V/3.0A, 9V/2.5A, 12V/1.8A, 15V/1.5A (PD 22.5W) |
| <b>USB-C Cable Output:</b>              | 5V/2.4A, 9V/3.0A, 12V/2.5A, 15V/2.0A (PD 30W)   |
| <b>PPS (Programmable Power Supply):</b> | 3.3V-10.0V/3.0A                                 |
| <b>Lightning Cable Input:</b>           | 5V/3.0A, 9V/2.5A, 12V/1.8A, 15V/1.5A (PD 22.5W) |
| <b>Lightning Cable Output:</b>          | 5V/2.4A, 9V/3.0A (PD 27W)                       |
| <b>Total Output:</b>                    | 30W   |
| <b>Cable Length:</b>                    | 18.5 cm   |
