## VELCRO® BRAND ONE-WRAP® Cable Ties

The easiest way to understand the importance of cable management is to start by understanding the ecosystem between a data centre or a central office network or facility systems. A change in one will create a change in the other one.

### Good cable management is designed to do the following:

1. Design to improve airflow
2. Energy efficiencies improve
3. Energy costs decrease

### It's important to install cable management that is:

1. Easy to install
2. Easy to make a change at a later time
3. Easy to troubleshoot

### Installing VELCRO® Brand Ties & Tape translates to:

- Labor costs savings
- Higher time off
