

2in1 Data & Charge

PowerLink-3C

140W High-Speed Fabric Braided USB-C to Dual USB-C Cable Charging Cable

Experience next-level power and efficiency with PowerLink-3C by Promate. This 2-in-1 USB-C™ to Dual USB-C™ cable delivers ultra-fast 140W Power Delivery, ensuring your USB-C devices charge quickly and efficiently. Supporting PD2.0, PD3.0, and PD3.1, it offers seamless compatibility with a wide range of devices, while enabling simultaneous dual device charging for ultimate convenience. Whether you need to transfer data or charge, PowerLink-3C supports both with 480Mbps data transfer speed. Crafted with a durable fabric braided cable, it ensures longevity and resilience. The built-in over-temperature and over-current protection safeguard your devices whilst charging. With a 1.4m cable length, you'll enjoy flexibility and ease of use, all while keeping your setup neat and organized. PowerLink-3C combines reliability, speed, and safety into one stylish solution.

Dual-Device Charging Power:

Effortlessly charge two USB-C devices simultaneously with PowerLink-3C. Maximize productivity by keeping both devices powered up at once.

Ultra-Fast 140W Power Delivery:

Experience lightning-fast charging speeds with an impressive 140W power delivery. PowerLink-3C ensures your devices stay charged in record time.

Full Compatibility with PD2.0, PD3.0, and PD3.1:

Supports all major Power Delivery standards for broad compatibility. Whether you're using smartphones, laptops, older devices or the latest tech, this cable adapts.

Simultaneous Data Sync & Charging:

Enjoy seamless charging and data transfer without interruptions. PowerLink-3C allows you to charge and sync your devices simultaneously with ease.

480Mbps Data Transfer Speed:

Transfer files quickly with 480Mbps data transfer speed. Keep your work moving smoothly, whether you're sharing large files or syncing important data.

Durable Fabric Braided Cable:

Built for strength and durability, the fabric-braided cable resists wear and is tangle-free. This premium design ensures your cable lasts longer and stays looking new.

Over-Temperature Protection:

Stay safe with built-in over-temperature protection. The cable prevents overheating to ensure both your devices and the cable are safeguarded during use.

Over-Current Protection:

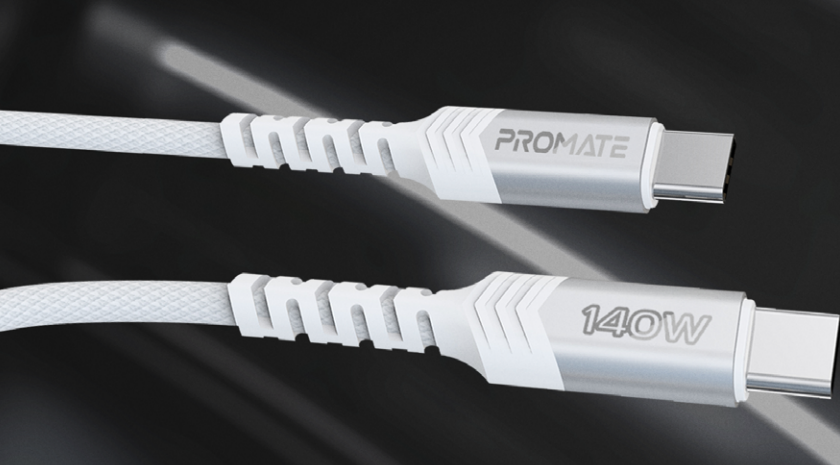

Integrated protection to keep your devices safe from overcurrent issues. PowerLink-3C is designed to ensure that excessive current won't damage your tech.

Ideal 1.4m Cable Length:

Enjoy the perfect length of 1.4 meters for flexibility and convenience. Whether at your desk or on the go, this cable offers ample reach for comfortable use.

140 CENTIMETER LENGTH
