

# Soft Silicone Ultra-Fast USB-A to USB-C Cable

Experience silicon finish that is remarkably soft but highly durable with the PowerLink cable series. Bend tested to withstand 25000+ bends, PowerLink cables are designed to handle maximum stress and strain while providing the fastest charge and data transfer speeds.

**PowerLink-AC200**

Experience silicone finish that is remarkably soft but highly durable

Charge at 3A speeds that is 3X faster than standard 5W chargers

Ideal 6.5ft length that is long enough to use at your desk and short enough to charge on the go

Bend tested to withstand 25000+ bends, PowerLink cables are designed to handle maximum stress and strain

The cable remains tangle-free even when wrapped around a charger or stuffed into a bag

Packaging Content : PowerLink-AC200
