Promate raises the bar for compact portable power with the all-new PowerUp-Trio 5000mAh Mini Power Bank. Seamlessly integrating cutting-edge technology into a compact design, this pocket-sized powerhouse features a trio of charging options including a 20W USB-C™ In/Out foldable connector, 12W Lightning output foldable connector, plus a dedicated 2.5W Apple Watch charger on the front. Engineered for safety and reliability, it includes over-charging and over-heating protection. Its sleek metal kickstand doubles as a sturdy support for hands-free viewing. With a portable, mini form factor, versatile charging options and an intuitive LED display for battery monitoring, the Promate Mini Power Bank is your ultimate companion for staying charged, connected, and in control wherever you go.

Powerful Backup Battery

PowerUp-Trio boasts a powerful 5000mAh lithium-ion backup battery, so you can keep your devices powered up, anywhere, anytime.

ULTRA COMPACT
50% Smaller

Dual Foldable Connectors

Forget the hassle of carrying extra cables. Promate's PowerUp-Trio features built-in, foldable USB-C™ and Lightning connectors for seamless, on-the-go charging.

20W USB-C™ in/out port

This port enables both charging of the power bank and fast charging of your devices, providing flexibility and speed in one efficient port.

2.5W Apple Watch Charger

Keep your Apple Watch charged with the dedicated 2.5W charger. Designed to provide a steady and efficient charge for your smartwatch.

Sturdy Metal Kickstand

Metal kickstand provides stable support for hands-free viewing while charging, enhancing convenience.

Multi Protect System

Featuring over-charging protection to prevent overcharging and overheating protection to safeguard against overheating, the PowerUp-Trio ensures optimal performance and safety during use.

Portable Mini Design

Compact and lightweight, Promate's PowerUp-Trio is designed for maximum portability. It easily fits in your pocket or bag, making it the perfect travel companion.

User-Friendly LED Display

The intuitive LED display allows for real-time power monitoring, showing the remaining battery level at a glance so you always know when it's time to recharge.

Specifications:

Battery Capacity: 5000mAh 18.5Wh
Battery Type: Li-ion
USB-C Port Input: 5V/3A, 9V/2A, 12V/1.5A (18W)
USB-C Connector Input: 5V/3A, 9V/2A, 12V/1.5A (18W)
USB-C Port Output: 5V/3A, 9V/2.22A, 12V/1.67A (20W)
USB-C Connector Output: 5V/3A, 9V/2.22A, 12V/1.67A (20W)

Lightning Connector Output: 5V/2.4A (12W)
Apple Watch Charger Output: 2.5W
Wireless charging distance: 1mm
Wireless charging frequency: 360kHz
Wireless charging efficiency: >=70%
Charging cable length: 30cm
