ProTag-1

Precise
Positioning

Unlock peace of mind with ProTag-1 by Promate, the ultimate compact Bluetooth item tracker that ensures your essentials are always locatable and within reach. Working in conjunction with the Apple-certified 'Find My' app, ProTag-1 features a loud alarm sound and 'Lost Mode', which provides free left-behind alerts and notifications, as well as worldwide tracking with unlimited distance and precise positioning. With a one-year standby time, replaceable battery, IPX6 water resistance plus a convenient lanyard, ProTag-1 can be deployed on a variety of items and is practical, versatile and reliable and ProTag-1. Furthermore, ProTag-1 guarantees privacy protection with anonymous and encrypted communication, ensuring only you know your item's whereabouts.

Compact Bluetooth Item Tracker

The sleek, compact ProTag-1 keeps your essentials within reach with easy attachment and seamless integration, maintaining a constant connection for instant location.

Apple Certified with Find My Network

Seamlessly integrates with the Find My app and network, ensuring compatibility and reliable tracking through Apple's robust ecosystem.

Lost Mode with Left-Behind Notifications

Get instant alerts if left behind and automatic notifications with Lost Mode to boost recovery chances of your lost items.

IPX6 Water Resistant

Durable and water-resistant, the ProTag-1 is designed to withstand everyday splashes and spills, providing reliable performance in various environments.

Replaceable Battery and Lanyard

Equipped with a replaceable CR2023 battery and a convenient lanyard, ensuring long-term use and easy attachment to your items.

Worldwide Tracking with Precise Positioning

Enjoy global coverage with ProTag-1, offering worldwide tracking and unlimited distance with precise positioning. Always know your item's exact location, no matter where you are.

Loud Alarm Sound

Locate your items easily with the ProTag-1's loud alarm sound, helping you find them quickly even in noisy environments.

1-Year Standby Time

With an impressive one-year standby time, ProTag-1 offers long-lasting reliability, reducing the need for frequent battery changes.

Privacy Protection

ProTag-1 ensures complete privacy protection with anonymous and encrypted communication, so only you know your item's whereabouts.

Specifications:

Bluetooth Version: v5.2
Bluetooth Profile: BLE
Bluetooth Frequency: 2402MHz~2480MHz
Battery Capacity: 220mAh
Battery Type: CR2023
Input Rating: 3V
Speaker Diameter: φ15
Impedance: 500Ω
Speaker Frequency: 4.0±0.5 kHz

Speaker Loudness: 90-100dB
Usage time: ~9 Months
Standby Time: 1 year
Operating Distance: 10-20m (indoor), 20-50m (outdoor)
IP Rating: IPX6
OS Supported: iOS, iPadOS, MacOS
