

MINI MAG

Small rechargeable COB LED work

SCANGRIP is now introducing a pocket-sized version of the popular MAG bestseller: The MINI MAG.

The MINI MAG comprises extremely powerful, rechargeable LED work lights and flashlights in one containing the latest, high performance LED technology.

The new and modern design of the MINI MAG provides an ergonomic and user-friendly grip. Place anywhere you want with the strong built-in magnetic holder and the retractable suspension hook. The lamp head is flexible and tilts up to 180 degrees.

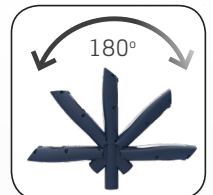

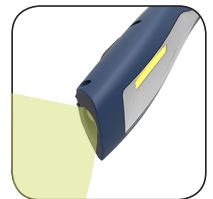

- Small and handy
- New rechargeable battery technology
- Designed for professional work
- Easily recharged with USB cable
