**16.5** Million FULL SPECTRUM RGB LIGHTING

Experience sound that moves you with the Promate Strike-40, where bold design meets breathtaking performance. Feel every beat with 40W of high-fidelity audio, backed by a 6000mAh battery that keeps the music going for up to 6 hours. Transform any moment with 9 dazzling RGB light modes, all while your device stays secure in the built-in phone stand. Strike-40's 4 different audio modes ensure instant access to your favorite tracks, and its silicone cover shields against splashes and spills. With IPX5 water resistance, this speaker isn't just ready for the party—it's ready for the adventure.

### True Wireless Stereo Sound

This brilliant, truly wireless, 40-watt, speaker delivers sound like no other. Connect two Strike-40 speakers and enjoy True Wireless Technology.

### Powerful 6000mAh Battery

Enjoy non-stop music with a 6000mAh lithium-ion battery that offers up to 6 hours of playtime and a 30-day standby.

### Thunderous 40W Speaker Output

Elevate your listening experience with 40W of booming sound, perfect for filling any space with rich, powerful audio.

### Dynamic RGB Light Modes

Set the mood with 9 stunning RGB light modes that sync with your music, creating a vibrant, immersive atmosphere.

### Versatile 4 Audio Modes

Easily switch between TF card, AUX, Bluetooth, and USB connections, offering seamless access to your favorite tunes from any device.

### Quick Music Navigation

Effortlessly control your playlist with quick music navigation, making it easy to skip tracks, adjust volume, and more.

### Durable Silicon Cover

Protect your ports from splashes and dust with a durable silicone cover, ensuring your speaker stays in top condition.

### Innovative Design

Strike-40 combines a unique design with functionality, featuring a built-in phone stand that keeps your device secure and accessible.

### IPX5 Water-Resistance

Take the music anywhere with IPX5 water resistance, giving you peace of mind in the face of splashes, rain, or spills.
