6 HOURS Playback Time

16.5 Million FULL SPECTRUM RGB LIGHTING

Strike-80 by Promate brings immersive sound and stunning visuals together in one dynamic speaker. Delivering 80W of stereo sound, this high-fidelity TWS-compatible speaker offers an exceptional listening experience. With 6 hours of playtime and a 3600mAh lithium-ion battery, it keeps the music going longer, while the 12 hours of standby time ensures it's always ready. Enjoy versatile connectivity with five audio playback options, including TF card, USB drive, AUX, and even a 1 / 4" guitar port. The vibrant RGB lights set the mood with five dynamic modes, while the built-in handle with RGB lights adds a touch of style and portability. IPX5 water resistance makes it perfect for outdoor adventures, and quick music navigation keeps you in control.

High Fidelity TWS Compatible Speaker

Enjoy superior stereo sound with TWS compatibility, delivering crystal-clear, immersive audio that fills the room.

80W Speaker Output

With 80W of output power, this speaker produces rich and vibrant sound, providing an enhanced audio experience

6-Hour Long Playtime

Play your favourite tunes for up to 6 hours on a single charge, with an impressive 12 hours of standby time for added convenience.

3600mAh Lithium-ion Battery

Equipped with a powerful 3600mAh lithium-ion battery, Strike-80 ensures long-lasting performance for non-stop music enjoyment.

5-Way Connectivity Options

Connect easily via TF card, USB flash, AUX, or guitar port, supporting a wide range of music formats like WMA, WAV, and MP3.

Quick Music Navigation

Easily navigate through your playlists and control your music with quick, intuitive navigation for a hassle-free listening experience.

Dynamic RGB Light Modes

Set the perfect mood with 5 vibrant RGB light modes, creating an immersive atmosphere for any occasion.

Built-in Handle with RGB Lights

Take the party anywhere with the built-in handle and built-in RGB lights, making it both portable and stylish

IPX5 Water-Resistance

Designed to withstand splashes and light rain, Strike-80's IPX5 water-resistance makes it ideal for outdoor adventures.
