Wake-up Mode	Instant Activation with Key Pressing or Movement
Power Voltage	1.5V (1 x AA Battery)
Material/ Colour	PC Housing/ Space Grey

Description:

UNITEK SlimTrack 2.4GHz Wireless Optical Mouse, with its slim and ergonomic design at its core, features multi-functional scrolling, a stable wireless connection, and high-sensitivity performance, providing 'long-lasting comfort, precision, and ease of use' for office workers, design enthusiasts, and everyday users, making every click and scroll a pleasure.

Product Features:

- Multi-Functional Scroll Wheel:** Enjoy smooth multi-directional scrolling for detailed tables or long web pages. Press the scroll wheel button to switch to automatic scrolling, allowing horizontal or vertical movement as needed. Control speed and direction precisely, enhancing browsing efficiency.
- 2.4G Wireless Connection Technology:** Equipped with stable 2.4G wireless transmission, UNITEK SlimTrack 2.4GHz Wireless Optical Mouse offers strong anti-interference capabilities and a range of up to 10 meters. The "plug and play" design allows for instant connection without driver installation.
- High-Performance Optical Tracking:** Featuring a 1600 DPI high-precision sensor for quick response and low latency. Easily adjust DPI levels at 800 (1 flash), 1200 (2 flashes), and 1600 (3 flashes) to meet various precision needs.
- Intelligent Power Management:** Powered by a single AA battery, it enters sleep mode after 15 minutes of inactivity, saving energy and prolonging battery life. A flashing red LED alerts you to low battery levels.
- Silent and Durable Click Design:** The mute-click design reduces noise by 90%, allowing you to work quietly. This durable mouse ensures reliable performance, and the scroll wheel outlasts traditional plastic ones.
- Wide Compatibility:** No driver installation required. Supports Windows 10/11, Linux, and macOS.
