TagLock

- **Built-in Rechargeable Battery**
- **≥60dB Loud Sound**
- **Wide Signal Range**
- **Precise Positioning**

Secure your journey with Promate's TagLock, a state-of-the-art Smart Luggage Lock, engineered for modern travellers who prioritize safety and convenience. This TSA-approved lock offers worldwide tracking with precise positioning, ensuring you can monitor your belongings from anywhere via the Apple Find My App. The cut-resistant steel shackle and loud alarm sound guarantee maximum security, while privacy protection keeps your lock's location visible only to you. With 75 days of standby time, left-behind reminders, and a rechargeable Li-Polymer battery, this compact lock is built to last. The digit dials and tag light indicator provide effortless usability, making your travels worry-free.

Smart Combination Lock

Keep your belongings safe and easily accessible with advanced anti-loss tracking and a three-digit combination lock. This smart lock ensures your luggage is always secure, traceable, and simple to lock or unlock.

TSA Accepted Security

Travel worry-free with TSA-approved security. The lock allows TSA agents to check your bag and re-lock it, ensuring it stays secured throughout your journey.

Compatible with "Apple Find My App"

Seamlessly integrate with the Apple Find My App for real-time tracking. Locate your luggage anywhere, anytime, with precise positioning.

Worldwide Tracking with Precision

Enjoy global peace of mind with worldwide tracking. This feature offers accurate positioning, making sure you always know where your luggage is.

Enhanced Privacy Protection:

Your location data is yours alone. With end-to-end encryption, only you can see where your lock tag is, ensuring complete privacy and security.

Cut-Resistant Steel Shackle

Maximum security is guaranteed with a cut-resistant steel shackle. It's designed to withstand attempts to tamper, keeping your belongings safe.

Long-Lasting Rechargeable Battery

Powered by a rechargeable Li-Polymer battery, this lock offers up to 75 days of standby time, ensuring reliability for extended travels.

Left Behind Reminders

Never forget your belongings with left-behind reminders. Alerts you instantly if you accidentally leave your luggage behind.

Loud Alarm for Added Security

A loud alarm sound alerts you immediately in case of unauthorized access. The alarm is powerful enough to deter any potential threats.
