Takt

Immerse yourself in unparalleled sound quality with our High Fidelity Wireless Headphones, Takt, delivering brilliant sound reproduction that captures every nuance of your favorite tunes. With an impressive 12-hour playtime, you can enjoy uninterrupted music sessions throughout the day. Experience superior voice clarity during calls and conferences, ensuring crystal-clear communication in any environment. Switch effortlessly between wired and wireless modes to suit your preference. Designed for ultimate comfort, our headphones feature ergonomic earpads and an adjustable headband, while the foldable design enhances portability. Crafted from a blend of fabric and leather, Takt not only delivers exceptional performance but also exudes timeless style. Elevate your audio experience with Takt, where innovation meets luxury.

Brilliant Sound Quality

Experience acoustic bliss with wirelessly streamed audio that lets you feel every beat of your music when you hear it.

Effortless Button Control

Effortlessly manage audio playback and volume with the multi-function touch buttons on Takt.

Long Battery Life

Built-in 400mAh rechargeable Li-Polymer battery that supports up to 12 hours of playtime and 180hours of standby time.

Durable Construction

Designed with a blend of ABS, fabric and leather construction, Takt combines timeless style with durability, ensuring a premium and long-lasting headphone experience.

Clear Calls

Enjoy the convenience of crystal-clear hands-free calling with the integrated microphone on the Takt.

Lightweight & Foldable

The lightweight design and the foldable headband lets you carry these headphones with ease and use on the move.

Ergonomic Design

Takt is ergonomically designed to fit the unique contour of your ears and soft pads with its Fabric 3D earmuff for extended comfort.

AUX Support

You will not have to worry about stopping the entertainment if you run out of power, plug in the AUX cable for unlimited wired listening.
