TP-R Series

Universal One-Piece & Partitioned Table Tops

LUMI
ergo

Eco-Friendly Material

EPA TSCA title VI / CARB II compliant particleboard. Sell with confidence!

4 Versatile Sizes

meet a variety of needs

Solid Structure

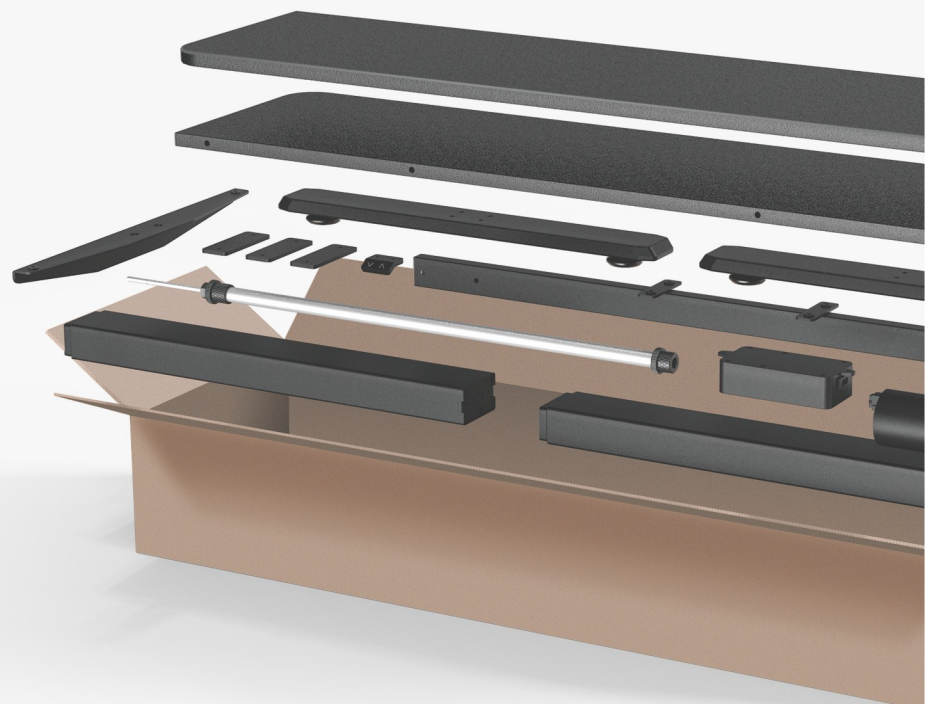

strong wooden dowels and connecting plates ensure stability and durability

Perfect for E-Commerce Platform Sellers

LUMI's TP-R Series Partitioned Table Tops allow the tabletop to be divided into two or three pieces, so it can be packed in a box with the frame for easy shipping.

Best of all, by eliminating the need to ship two packages to your customers, your business can save on shipping costs and more -- increasing your budget or allowing you to pass the savings along to your customers.

Gain more profit with TP-R Series Partitioned Table Tops!
