

8K USB-C to DisplayPort Bidirectional Cable (V1423D)

Seamless Connections Up To 8K@60Hz Ultra HD.

Human friendly

Description:

UNITEK 8K USB-C to DP bidirectional cable enables the transfer of USB-C sources to a DisplayPort Monitor and also supports DisplayPort sources to a USB-C Monitor. Say goodbye to flickering or audio cutting-out issues, this cable ensures users can enjoy a seamless experience for sports events, movies and photo slideshows.

Product Features:

- **8K@60Hz Visual Feast:** UNITEK 8K USB-C to DisplayPort Bidirectional Cable supports seamless connection with bandwidth up to 48Gbps and a maximum resolution at 8K@60Hz, enabling users to enjoy 8K Ultra HD multimedia streaming at home or anywhere else. It is also backward compatible with various resolutions including 8K@30Hz, 4K@120Hz, 2K@240Hz/ 165Hz/ 144Hz and 1080P@240Hz.
- **HDCP & Dynamic HDR Technology:** Supports Dynamic HDR that ensures your video is displayed at its ideal values for depth, detail, brightness, contrast and wider color gamut. UNITEK 8K USB-C to DisplayPort Bidirectional Cable also supports HDCP 2.3.
- **Built to Last:** UNITEK 8K USB-C to DisplayPort Bidirectional Cable is made with corrosion-resistant connector. It is made with interference-free construction and comes with individual wire insulation that wraps the bare copper conductors with foil shielding. Latch-free DP connector provides easy connection and avoid damaging the original DP input port on your device.
- **Wide Compatibility:** UNITEK 8K USB-C to DisplayPort Bidirectional Cable is compatible with a wide range of USB-C devices including phones, tablets and computers that supports DP Alt. Mode* compatible with USB-C ports equipped with video output function "DP Alt Mode".
- **Easy to Use:** Plug and play, no drivers required.

*To transmit signal from USB-C host device, please check if the USB-C port supports DP Alt. Mode that allows compatible USB-C ports to transmit video and audio signals.

Package Contents:

1 x 8K USB-C to DisplayPort Bidirectional Cable; 1 x User Manual.

Pieces/ Carton:

60 pieces/ carton

Dimensions	23.0mm x 63.0mm x 12.0mm
Maximum Resolution	8K@60Hz
Upstream	USB-C/ DisplayPort (Bi-directional)
Downstream	USB-C/ DisplayPort (Bi-directional)
Cable Length	180cm
Material/ Colour	Aluminum Alloy/ Space Grey
