

WatchDog DropProtect<sup>™</sup> Matte Privacy Glass Built-In Bumper

Anti-DUST Anti-MICROBIAL Anti-FINGERPRINT Anti-SHATTER

Protect your screen from impacts and scratches, as well as prying eyes with WatchDog. The two-way filter treatment on the glass provides complete privacy when the screen is viewed from the side. Reinforced silicon edges prevent the screen from shattering in case of drops and bumps.

# Features

# DropProtect<sup>™</sup> Bumper:

Reinforced silicon edges prevent the screen tfrom shattering in case of drops and bumps

## **Privacy Protection:**

Smooth tempered glass treated with a two-way filter that provides full-screen privacy when viewed from the side

# 3D Curved Edge:

Precisely curved edges offer edge to edge case-friendly fit ideal for curved screens

TOUCH

#### 9H Hardness:

Shock absorbent tempered glass layer helps prevent shattering due to impact and scratches as well

# Touch Sensitivity:

Engineered for maximum touch sensitivity, that ensures no lag between your touch and the screen registering the same

#### Anti-Microbial Protection:

An anti-microbial treatment on the top layer of the screen inhibits the growth of odour causing bacteria.

#### Smooth Feel:

The surface of this screen protector has the smooth, silky feel as your phone's original screen

## 6X Shatter Protection:

Take your phone anywhere with this screen protection that provides extreme scratch and impact resistance

17

ANTI

The zero residue advanced adhesive ensures quick and easy application

Anti-Reflective:

Easy Application:

The EyeProtect™ matte layer filters out 2X more blue light and decreases eye fatigue from long term usage
