

1.32" Curved AMOLED Screen

Fitness Tracker Smartwatch with BT Calling

Elevate your style and functionality with xWatch-US13 by Promate, a sleek and ultra-thin smartwatch designed for the modern lifestyle. Stay connected with Bluetooth calling, manage your fitness with over 100 sports modes, and track your active life effortlessly. Its stunning 1.32-inch AMOLED display with 3D spherical curved glass delivers vibrant visuals in 466*466 resolution, blending elegance with cutting-edge clarity. Crafted with a durable metal case and IP68 water resistance, this smartwatch is built to withstand both splashes and sweat. With a 200mAh battery ensuring long-lasting performance, xWatch-US13 is the perfect companion for every moment of your day.

Active Lifestyle Management

The XWatch-US13 is designed to help you lead a healthy lifestyle as it features a heart rate sensor, pedometer sensor, blood oxygen level sensor, and sleep tracker. You can use the wellness app to track all your progress.

100+ Sports Modes

100+ brilliant sports modes, dedicated to delivering precise metrics of your daily fitness and workout regime with complete efficiency.

Bluetooth Calling

Stay connected to family and friends with calls, texts, and email, with Bluetooth 5.1 Technology.

Vivid 1.32-inch AMOLED Display

Enjoy sharp, colourful visuals with a high-resolution AMOLED screen for an exceptional viewing experience.

Elegant 3D Spherical Curved Glass

Add a touch of sophistication with a seamless curved-glass design that enhances durability and aesthetics.

IP68 Water Resistance

Stay worry-free during workouts or water splashes, thanks to its superior water-resistant design.

Long-Lasting 200mAh Battery

Experience up to 3–5 days of use or 25 days on standby with a 200mAh battery that charges fully in just 3 hours, ensuring it keeps up with your busy lifestyle.

Effortless Wireless Charging

Charge your smartwatch conveniently with its wireless charging capability, ensuring hassle-free power-ups.

Stylish and Sturdy Metal Case

Combining elegance and strength, the durable metal frame enhances both durability and style.

XWatch App

Download and install the XWatch app, which is available on both PlayStore and Apple app stores, to track your progress, customize faces, and much more.
