4 Ports USB-A 5Gbps Hub (1.2M) (Y-3089V)

With USB-C Power port

Description: Unitek USB hub expands 1 Port to 4 Ports on your computer or USB-A devices, including support for USB flash drives, mice, keyboards, or any other USB peripherals. And it is backward compatible with your old USB 2.0 / 1.0 devices.

Product Features:

- **High Speed Transfer：** UNITEK 4-in-1 USB-A Hub has 4 USB-A ports with data transfer speed 5Gbps on all ports. Large files, HD movies and songs can be transferred in seconds.

- **Universal Compatibility:** Compatible with almost all USB-A devices including MacBook Pro as well as operating systems: Windows and MacOS, etc. The Hub comes with a 4FT (120cm) USB Extension Cable for connection and extension as well.

- **Type-C power connector design：** Support BC 1.2 charging, can provide up to 5V/1.5A current. For devices such as HDD/ SSD hard disk, external power adapter is recommended.*

- **Plug & Play：** Simply plug the USB hub into your computer and use it, no driver installation required, connect quickly and enjoy fast, stable data transfer!

*Type-C cable and external power supply is not included.
